

## ***Finding Form***

### **VCA Sculpture and Spatial Practice Students**

*Finding Form* presents new work from students within VCA's Sculpture and Spatial Practice Studio. Collectively it reflects an approach to sculptural thinking and making that is not simply beholden to the traditional art object but rather extends into all facets of cultural production.

**George Paton Gallery Exhibition Archive 2017**  
**6: 10 May — 19 May**
