

## crossing(s)

Jordan Di Giulio/Susannah Green/Bhanwat Jittivuthikarn1  
5/24 March 2005

crossing(s) presents three installation works that explore a range of transitional states. Artists, Jordan Di Giulio, Susannah Gregan, and Bhanuwat Jittivuthikarn, deal with questions of a cross-cultural identity, globalism, transitoriness and longing through sculptural objects and texts in the gallery space.

### Opening night

Wednesday 16 March, 5/7pm
