

## Sweetiepie

Sarah Lynch

24 August/3 September 2004

'You used to be such a sweet girl.' Sarah's dad. Sarah's video works make 'daddy's sweet little girl' do the most unladylike things in public places. Following everyday desires, Sweetiepie transgressively skips across categories of what womyn can and cannot publicly do. Sarah's ludic works seek to befriend viewers as they morally participate in her mischievousness.

**Opening night:** Wednesday 25 August, 5/7pm
